

## GREETINGS TO ALL

### *Letter from CEO*

I am super excited to bring the Alpsho Ventures newsletter as it is a great way to address people engagement, communication, and collaboration. Alpsho Ventures Pvt. Ltd. India has completed its 2 successful years providing products like the world renowned and technologically advance nail art printing machine - The O'2Nails India Machine, Canada based professional 9 FREE nail gels - en Vogue and many other premium products.

Since our inception, my sole motive is to bring O'2Nails India, nail art printing machine and other product line to every corner of India and make it available to every makeup professionals and even household women. This is a revolutionary product and paves the way to the new advanced future of Indian women.

Makeup is a jewelry that every women wears it irrespective of age or caste and I want it to be available to every individual who seek for this jewelry. Last but not the least, I and my team strive to bring you more products that is life changing.
